 Super Deluxe Series*

Model : TCB-4SD/SB

TCB-4SD

TCB-4SB

- Does not include keg couplers

FEATURES & BENEFITS

■ Equipped with easy-to-clean Air Filter

The accumulation of dust in the condenser causes failures and/or breakdowns in refrigeration. Refrigeration operate normally until they accumulate a certain amount of dust. When they reach over their limit, performance will drop rapidly, resulting in damages and possible disposal of stored goods. This is why all refrigeration manufacturers require the condenser to be cleaned at least once a month for warranty to remain valid. Fortunately for Turbo Air, this process is simplified due to the frontal access air filter device. Users only need to pull out the filter and vacuum lightly to remove the dust. Simply place it back into position when complete.

■ Efficient refrigeration system

Turbo Air's refrigerators are designed with oversized and balanced R-134A (CFC Free) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

■ Forced air cooling system

Fast cooling and balanced temperature throughout the cabinet.

■ Stainless steel cabinet construction

Super Deluxe (SD) models boast a stainless steel exterior (except galvanized steel back and bottom). SB models are attractive wear-resistant black vinyl exterior. Heavy gauge stainless steel countertop and club top lids are perfect for sanitation and durability. Interior is stainless steel except galvanized steel top. Turbo Air Club Top model guarantees utmost in cleanliness and long product life. It also can add a touch of style to the most refined setting.

■ High-density polyurethane insulation

The entire cabinet structure is foamed-in-place using high density, CFC free polyurethane insulation.

■ 3" diameter stainless steel insulated beer columns

■ Club top (TCB) models provide easy access to the interior area

Club Top is a combined functional cabinet of direct draw cold beer dispenser and glass chiller. This convenient model provides easy access to interior storage area of the refrigerator for chilled beer glasses.

■ Ergonomically designed doors

■ Easy to glide stainless steel club top lids

■ Side mount compressor unit

■ Refrigerator holds 33°F ~ 38°F for the best in beverage preservation

ELECTRICAL DATA	
Voltage	115/60/1
Plug Type	 NEMA 5-15P
Full Load Amperes	7.5
Compressor HP	1/3
Refrigerant	R-134A
Cord Length (ft.)	9
DIMENSIONAL DATA	
1/2 Barrels	4
Ext. Length Overall (in.)	90 ³ / ₈ (2296mm)
Ext. Depth Overall (in.)*	27 ¹ / ₄ (692mm)
Ext. Height Overall (in.)†	38 ⁵ / ₈ (980mm)
Net Weight (lbs.)	425
Gross Weight (lbs.)	445
# of Swing Door	3

Design and specifications subject to change without notice.

Actual shipping weight may differ due to extra packing materials for product protection.

* Depth does not include 2" for rear spacers.

† Height does not include 5" for caster height. Height does not include 15-1/8" for draft arm.

■ WARRANTY : 3 Year Parts and Labor Warranty Additional 2 Year Warranty on Compressor

- Double faucet beer tower standard
- Door locks standard
- Self-contained system
- 4" dia. swivel casters standard
- 2" dia. casters available (optional)
- 6" height adjustable legs available (optional)

■ OPTIONAL ACCESSORIES :

- ☐ 2" caster for underbar series, 1/2" diameter: P0165B0100 (non-brake), P0165B0110 (w/ brake)
- ☐ 6" adjustable stainless steel leg: P012P0100
