Ice Merchandiser

*Ice Merchandisers
 Glass Door Merchandisers*

Model : TGIM-23

FEATURES & BENEFITS

■ Digital temperature control & monitor system

- Keep food products safe by maintaining constant temperatures.
- Alarms that sound when doors are not sealed shut; protect against food spoilage that originate from cold air leaks.
- Digital display allows for easy monitoring.
- Programs interpret the condition of refrigeration systems by self-diagnosis.
- Smart fuzzy defrost system.
- Automatic evaporator fan motor delays.

■ Ice does not melt even in hot climates

Turbo Air ice merchandisers are based on a freezer system which is adjusted to the ideal temperature range for bagged ice storage, whereas our competitors use refrigerator based systems. It maintains an avg. temperature of 12°F or below and eliminates ice melting problems during hot weather conditions.

■ Triple pane heated glass doors

Equipped with unique triple-pane heated glass doors which enhance energy efficiency by preventing heat transfers and minimizing condensation. Lightweight door construction reduces door maintenance, bushing wear, and facilitates smooth door opening.

■ LED advertising panel

LED lighting offers 5 times longer lasting life than fluorescents and conserves energy as well.

■ Efficient refrigeration system

Turbo Air's freezers are designed with oversized and balanced (CFC Free R-134A or R-404A) refrigeration systems. These include efficient evaporators and condensers for faster freezing and greater efficiency.

■ High-density polyurethane insulation

The entire cabinet structure is foamed-in-place using high density, CFC free polyurethane insulation.

■ LED lighting interior

■ Magnetic door gaskets

Magnetic door gaskets are of one piece construction, removable without tools for ease of cleaning and replacement.

■ Bottom mount compressor units

Turbo Air's bottom mount compressor allows easier access for service and extra storage space above. In addition, the lower area provides a cooler and less greasy operating environment which results in reduced compressor running time.

■ Freezer holds 10°F ~ 15°F for the best in bagged ice storage

Int. Depth Overall (in.)	24 ¹ / ₈ (614mm)
Int. Height Overall (in.)	60 ³ / ₈ (1535mm)
Net Weight (lbs.)	334
Gross Weight (lbs.)	356

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.
* Depth does not include 1-3/8" for glass door handles.

■ WARRANTY : 2 Year Parts and Labor Warranty Additional 3 Year Warranty on Compressor

■ 4" dia. swivel casters available (optional)

■ OPTIONAL ACCESSORIES :

- ☐ 4" caster, 1/2" diameter & 13 TPI: G8F6500101 (non-brake),
G8F6500201 (w/ brake)
